## Council President Ben Hueso Thanks All Who Participated for Beyer Boulevard Community Cleanup and Recycling Event

SAN DIEGO – Spring cleaning began on April 25 at 8:00 a.m. at the dead end of Beyer Boulevard and Enright Drive. Residents were invited to fill free bins with recyclables and non-recyclables they no longer need, and to help clean up the street. “When neighbors come together to beautify an area, it fosters a sense of true community,” said Council President Ben Hueso. “This was a successful event.”

Sponsors for the Beyer Boulevard cleanup included the City of San Diego’s Environmental Services Department, the San Ysidro Business Association, Hearts and Hands, and I Love a Clean San Diego. The Council President organizes cleanups throughout District 8 more than once a month.
